3. In the year 2010, the Group through its Qatar Branch had entered into a sub-contract jointly with a consortium partner, with a Main Contractor, in connection with a project awarded by the Ultimate client. In 2014, the Main Contract between the Ultimate Client and the Main Contractor was terminated by the Ultimate Client, closer to the completion of the contract, citing delays and defects in execution and initiated arbitration proceedings against the Main Contractor. Accordingly, the Group had made a comprehensive assessment of the losses arising on account of the termination of the Main contract and had accounted for all probable losses on the sub-contract in the earlier years

In connection to the sub-contract, the Group had issued bank guarantees amounting to ₹ 392 crores (QAR 166.6 million) to the Main Contractor which have been disclosed as a contingent liability in the financial statements over the years. In June 2023, the Group was informed by its bankers that the Main Contractor had sought to invoke the said bank guarantees. However, due to certain deficiencies, in the invocation process, the guarantees were not honoured by the Bank, leading to the commencement of legal proceedings by the Main Contractor and the Group. The matter is currently sub-judice and the proceedings are currently ongoing between the Main Contractor, the Group and the Bank. As per the latest development, all parties including the Group have filed their respective appeals before the Court of Appeal (Qatar) which has remanded the matter back to the Court appointed Experts for a fresh review of the objections raised by the respective parties including the bank. In the meantime, the bank guarantees issued by the Group in favour of the Main Contractor continue to remain unencashed. The Group continues to re-assess its liability under the sub-contract at each reporting date. Based on its ongoing assessment and legal advice obtained from independent counsel, the Group is confident that it has good grounds to defend any claims that may arise. Accordingly, no further provision has been considered in the financial results. The Group has taken all necessary steps, including legal remedies to safeguard and defend itself and is closely monitoring the developments as they may arise

 The Board of Directors of the Company at its Meeting held on 13th March, 2025, approved transfer of overseas branches of the Company at Dubai and Abu Dhabi in UAE to Universal MEP Contracting L.L.C. The transaction is expected to be consummated by 31st March 2026 or such other date as mutually agreed between the Company and UMCL. This transaction has no impact on consolidated results.

5. Figures of the quarter ended 31st March, 2025 are the balancing figures between audited figures in respect of the full financial year and the year to date figures upto the third quarter of the relevant financial year which were subjected to limited review by Auditors.

3. In the year 2010, the Group through its Qatar Branch had entered into a sub-contract jointly with a consortium partner, with a Main Contractor, in connection with a project awarded by the Ultimate client. In 2014, the Main Contract between the Ultimate Client and the Main Contractor was terminated by the Ultimate Client, closer to the completion of the contract, citing delays and defects in execution and initiated arbitration proceedings against the Main Contractor. Accordingly, the Group had made a comprehensive assessment of the losses arising on account of the termination of the Main contract and had accounted for all probable losses on the sub-contract in the earlier years.

In connection to the sub-contract, the Group had issued bank guarantees amounting to ₹ 392 crores (QAR 166.6 million) to the Main Contractor which have been disclosed as a contingent liability in the financial statements over the years. In June 2023, the Group was informed by its bankers that the Main Contractor had sought to invoke the said bank guarantees. However, due to certain deficiencies, in the invocation process, the guarantees were not honoured by the Bank, leading to the commencement of legal proceedings by the Main Contractor and the Group. The matter is currently sub-judice and the proceedings are currently ongoing between the Main Contractor, the Group and the Bank. As per the latest development, all parties including the Group have filed their respective appeals before the Court of Appeal (Qatar) which has remanded the matter back to the Court appointed Experts for a fresh review of the objections raised by the respective parties including the bank. In the meantime, the bank guarantees issued by the Group in favour of the Main Contractor continue to remain unencashed. The Group continues to re-assess its liability under the sub-contract at each reporting date. Based on its ongoing assessment and legal advice obtained from independent counsel, the Group is confident that it has good grounds to defend any claims that may arise. Accordingly, no further provision has been considered in the financial results. The Group has taken all necessary steps, including legal remedies to safeguard and defend itself and is closely monitoring the developments as they may arise

 The Board of Directors of the Company at its Meeting held on 13th March, 2025, approved transfer of overseas branches of the Company at Dubai and Abu Dhabi in UAE to Universal MEP Contracting L.L.C. The transaction is expected to be consummated by 31st March 2026 or such other date as mutually agreed between the Company and UMCL. This transaction has no impact on consolidated results.

3. In the year 2010, the Group through its Qatar Branch had entered into a sub-contract jointly with a consortium partner, with a Main Contractor, in connection with a project awarded by the Ultimate client. In 2014, the Main Contract between the Ultimate Client and the Main Contractor was terminated by the Ultimate Client, closer to the completion of the contract, citing delays and defects in execution and initiated arbitration proceedings against the Main Contractor. Accordingly, the Group had made a comprehensive assessment of the losses arising on account of the termination of the Main contract and had accounted for all probable losses on the sub-contract in the earlier years

In connection to the sub-contract, the Group had issued bank guarantees amounting to ₹ 392 crores (QAR 166.6 million) to the Main Contractor which have been disclosed as a contingent liability in the financial statements over the years. In June 2023, the Group was informed by its bankers that the Main Contractor had sought to invoke the said bank guarantees. However, due to certain deficiencies, in the invocation process, the guarantees were not honoured by the Bank, leading to the commencement of legal proceedings by the Main Contractor and the Group. The matter is currently sub-judice and the proceedings are currently ongoing between the Main Contractor, the Group and the Bank. As per the latest development, all parties including the Group have filed their respective appeals before the Court of Appeal (Qatar) which has remanded the matter back to the Court appointed Experts for a fresh review of the objections raised by the respective parties including the bank. In the meantime, the bank guarantees issued by the Group in favour of the Main Contractor continue to remain unencashed. The Group continues to re-assess its liability under the sub-contract at each reporting date. Based on its ongoing assessment and legal advice obtained from independent counsel, the Group is confident that it has good grounds to defend any claims that may arise. Accordingly, no further provision has been considered in the financial results. The Group has taken all necessary steps, including legal remedies to safeguard and defend itself and is closely monitoring the developments as they may arise

4. The Board of Directors of the Company at its Meeting held on 13th March, 2025, approved transfer of overseas branches of the Company at Dubai and Abu Dhabi in UAE to Universal MEP Contracting L.L.C. ('UMCL'), Dubai, UAE, a step-down subsidiary of the Company on a slump sale basis through Business Transfer Agreements ('BTAs') to be executed between the Company and UMCL. The transaction is expected to be consummated by 31st March 2026 or such other date as mutually agreed between the Company and UMCL. This transaction has no impact on consolidated results.

5. Figures of the quarter ended 31st March, 2025 are the balancing figures between audited figures in respect of the full financial year and the year to date figures upto the third quarter of the relevant financial year which were subjected to limited review by Auditors.

6. The Statutory Auditors of the Company have conducted a "Limited Review" of the aforesaid financial results.

3. In the year 2010, the Group through its Qatar Branch had entered into a sub-contract jointly with a consortium partner, with a Main Contractor, in connection with a project awarded by the Ultimate client. In 2014, the Main Contract between the Ultimate Client and the Main Contractor was terminated by the Ultimate Client, closer to the completion of the contract, citing delays and defects in execution and initiated arbitration proceedings against the Main Contractor. Accordingly, the Group had made a comprehensive assessment of the losses arising on account of the termination of the Main contract and had accounted for all probable losses on the sub-contract in the earlier years

In connection to the sub-contract, the Group had issued bank guarantees amounting to ₹ 392 crores (QAR 166.6 million) to the Main Contractor which have been disclosed as a contingent liability in the financial statements over the years. In June 2023, the Group was informed by its bankers that the Main Contractor had sought to invoke the said bank guarantees. However, due to certain deficiencies, in the invocation process, the guarantees were not honoured by the Bank, leading to the commencement of legal proceedings by the Main Contractor and the Group. The matter is currently sub-judice and the proceedings are currently ongoing between the Main Contractor, the Group and the Bank. As per the latest development, all parties including the Group have filed their respective appeals before the Court of Appeal (Qatar) which has remanded the matter back to the Court appointed Experts for a fresh review of the objections raised by the respective parties including the bank. In the meantime, the bank guarantees issued by the Group in favour of the Main Contractor continue to remain unencashed. The Group continues to re-assess its liability under the sub-contract at each reporting date. Based on its ongoing assessment and legal advice obtained from independent counsel, the Group is confident that it has good grounds to defend any claims that may arise. Accordingly, no further provision has been considered in the financial results. The Group has taken all necessary steps, including legal remedies to safeguard and defend itself and is closely monitoring the developments as they may arise

3. In the year 2010, the Group through its Qatar Branch had entered into a sub-contract jointly with a consortium partner, with a Main Contractor, in connection with a project awarded by the Ultimate client. In 2014, the Main Contract between the Ultimate Client and the Main Contractor was terminated by the Ultimate Client, closer to the completion of the contract, citing delays and defects in execution and initiated arbitration proceedings against the Main Contractor. Accordingly, the Group had made a comprehensive assessment of the losses arising on account of the termination of the Main contract and had accounted for all probable losses on the sub-contract in the earlier years

In connection to the sub-contract, the Group had issued bank guarantees amounting to ₹ 392 crores (QAR 166.6 million) to the Main Contractor which have been disclosed as a contingent liability in the financial statements over the years. In June 2023, the Group was informed by its bankers that the Main Contractor had sought to invoke the said bank guarantees. However, due to certain deficiencies, in the invocation process, the guarantees were not honoured by the Bank, leading to the commencement of legal proceedings by the Main Contractor and the Group. The matter is currently sub-judice and the proceedings are currently ongoing between the Main Contractor, the Group and the Bank. As per the latest development, all parties including the Group have filed their respective appeals before the Court of Appeal (Qatar) which has remanded the matter back to the Court appointed Experts for a fresh review of the objections raised by the respective parties including the bank. In the meantime, the bank guarantees issued by the Group in favour of the Main Contractor continue to remain unencashed. The Group continues to re-assess its liability under the sub-contract at each reporting date. Based on its ongoing assessment and legal advice obtained from independent counsel, the Group is confident that it has good grounds to defend any claims that may arise. Accordingly, no further provision has been considered in the financial results. The Group has taken all necessary steps, including legal remedies to safeguard and defend itself and is closely monitoring the developments as they may arise

 The Board of Directors of the Company at its Meeting held on 13th March, 2025, approved transfer of overseas branches of the Company at Dubai and Abu Dhabi in UAE to Universal MEP Contracting L.L.C. ('UMCL'), Dubai, UAE, a step-down subsidiary of the Company on a slump sale basis through Business Transfer Agreements ('BTAs') to be executed between the Company and UMCL. The transaction is expected to be consummated by 31st March 2026 or such other date as mutually agreed between the Company and UMCL. This transaction has no impact on consolidated results.

5. Figures of the quarter ended 31st March, 2025 are the balancing figures between audited figures in respect of the full financial year and the year to date figures upto the third quarter of the relevant financial year which were subjected to limited review by Auditors.

6. The Statutory Auditors of the Company have conducted a "Limited Review" of the aforesaid financial results.

In June 2023, the Group was informed by its bankers that the Main Contractor had sought to invoke the said bank guarantees. However, due to certain deficiencies, in the invocation process, the guarantees were not honoured by the Bank, leading to the commencement of legal proceedings by the Main Contractor and the Group. The matter is currently sub-judice and the proceedings are currently ongoing between the Main Contractor, the Group and the Bank. As per the latest development, all parties including the Group have filed their respective appeals before the Court of Appeal (Qatar) which has remanded the matter back to the Court appointed Experts for a fresh review of the objections raised by the respective parties including the bank. In the meantime, the bank guarantees issued by the Group in favour of the Main Contractor continue to remain unencashed. The Group continues to re-assess its liability under the sub-contract at each reporting date. Based on its ongoing assessment and legal advice obtained from independent counsel, the Group is confident that it has good grounds to defend any claims that may arise. Accordingly, no further provision has been considered in the financial results. The Group has taken all necessary steps, including legal remedies to safeguard and defend itself and is closely monitoring the developments as they may arise

3. In the year 2010, the Group through its Qatar Branch had entered into a sub-contract jointly with a consortium partner, with a Main Contractor, in connection with a project awarded by the Ultimate client. In 2014, the Main Contract between the Ultimate Client and the Main Contractor was terminated by the Ultimate Client, closer to the completion of the contract, citing delays and defects in execution and initiated arbitration proceedings against the Main Contractor. Accordingly, the Group had made a comprehensive assessment of the losses arising on account of the termination of the Main contract and had accounted for all probable losses on the sub-contract in the earlier years

In connection to the sub-contract, the Group had issued bank guarantees amounting to ₹ 392 crores (QAR 166.6 million) to the Main Contractor which have been disclosed as a contingent liability in the financial statements over the years. In June 2023, the Group was informed by its bankers that the Main Contractor had sought to invoke the said bank guarantees. However, due to certain deficiencies, in the invocation process, the guarantees were not honoured by the Bank, leading to the commencement of legal proceedings by the Main Contractor and the Group. The matter is currently sub-judice and the proceedings are currently ongoing between the Main Contractor, the Group and the Bank. As per the latest development, all parties including the Group have filed their respective appeals before the Court of Appeal (Qatar) which has remanded the matter back to the Court appointed Experts for a fresh review of the objections raised by the respective parties including the bank. In the meantime, the bank guarantees issued by the Group in favour of the Main Contractor continue to remain unencashed. The Group continues to re-assess its liability under the sub-contract at each reporting date. Based on its ongoing assessment and legal advice obtained from independent counsel, the Group is confident that it has good grounds to defend any claims that may arise. Accordingly, no further provision has been considered in the financial results. The Group has taken all necessary steps, including legal remedies to safeguard and defend itself and is closely monitoring the developments as they may arise

In the year 2010, the Group through its Qatar Branch had entered into a sub-contract jointly with a consortium partner, with a Main Contractor, in connection with a project awarded by the Ultimate client. In 2014, the Main Contract between the Ultimate Client and the Main Contractor was terminated by the Ultimate Client, closer to the completion of the contract, citing delays and defects in execution and initiated arbitration proceedings against the Main Contractor. Accordingly, the Group had made a comprehensive assessment of the losses arising on account of the termination of the Main contract and had accounted for all probable losses on the sub-contract in the earlier years

In connection to the sub-contract, the Group had issued bank guarantees amounting to ₹ 392 crores (QAR 166.6 million) to the Main Contractor which have been disclosed as a contingent liability in the financial statements over the years. In June 2023, the Group was informed by its bankers that the Main Contractor had sought to invoke the said bank guarantees. However, due to certain deficiencies, in the invocation process, the guarantees were not honoured by the Bank, leading to the commencement of legal proceedings by the Main Contractor and the Group. The matter is currently sub-judice and the proceedings are currently ongoing between the Main Contractor, the Group and the Bank. As per the latest development, all parties including the Group have filed their respective appeals before the Court of Appeal (Qatar) which has remanded the matter back to the Court appointed Experts for a fresh review of the objections raised by the respective parties including the bank. In the meantime, the bank guarantees issued by the Group in favour of the Main Contractor continue to remain unencashed. The Group continues to re-assess its liability under the sub-contract at each reporting date. Based on its ongoing assessment and legal advice obtained from independent counsel, the Group is confident that it has good grounds to defend any claims that may arise. Accordingly, no further provision has been considered in the financial results. The Group has taken all necessary steps, including legal remedies to safeguard and defend itself and is closely monitoring the developments as they may arise

3. In the year 2010, the Group through its Qatar Branch had entered into a sub-contract jointly with a consortium partner, with a Main Contractor, in connection with a project awarded by the Ultimate client. In 2014, the Main Contract between the Ultimate Client and the Main Contractor was terminated by the Ultimate Client, closer to the completion of the contract, citing delays and defects in execution and initiated arbitration proceedings against the Main Contractor. Accordingly, the Group had made a comprehensive assessment of the losses arising on account of the termination of the Main contract and had accounted for all probable losses on the sub-contract in the earlier years

In connection to the sub-contract, the Group had issued bank guarantees amounting to ₹ 392 crores (QAR 166.6 million) to the Main Contractor which have been disclosed as a contingent liability in the financial statements over the years. In June 2023, the Group was informed by its bankers that the Main Contractor had sought to invoke the said bank guarantees. However, due to certain deficiencies, in the invocation process, the guarantees were not honoured by the Bank, leading to the commencement of legal proceedings by the Main Contractor and the Group. The matter is currently sub-judice and the proceedings are currently ongoing between the Main Contractor, the Group and the Bank. As per the latest development, all parties including the Group have filed their respective appeals before the Court of Appeal (Qatar) which has remanded the matter back to the Court appointed Experts for a fresh review of the objections raised by the respective parties including the bank. In the meantime, the bank guarantees issued by the Group in favour of the Main Contractor continue to remain unencashed. The Group continues to re-assess its liability under the sub-contract at each reporting date. Based on its ongoing assessment and legal advice obtained from independent counsel, the Group is confident that it has good grounds to defend any claims that may arise. Accordingly, no further provision has been considered in the financial results. The Group has taken all necessary steps, including legal remedies to safeguard and defend itself and is closely monitoring the developments as they may arise

 The Board of Directors of the Company at its Meeting held on 13th March, 2025, approved transfer of overseas branches of the Company at Dubai and Abu Dhabi in UAE to Universal MEP Contracting L.L.C. ('UMCL'), Dubai, UAE, a step-down subsidiary of the Company on a slump sale basis through Business Transfer Agreements ('BTAs') to be executed between the Company and UMCL. The transaction is expected to be consummated by 31st March 2026 or such other date as mutually agreed between the Company and UMCL. This transaction has no impact on

5. Figures of the quarter ended 31st March, 2025 are the balancing figures between audited figures in respect of the full financial year and the year to date figures upto the third quarter of the relevant financial year which were subjected to limited review by Auditors.

প্রতিনিধিদলকে বাধা ভাঙচুর বিজেপি কর্মীদের

গতকাল কোচবিহার জেলার দিনহাটা ২ ব্রকের শালমারা এলাকায় একের পর এক বিজেপি নেতৃত্বদের বাড়ি ভাঙচুর লুটপাটের অভিযোগ ওঠে তৃণমূল আপ্রিত দুস্কৃতীদের বিরুদ্ধে। বিজেপি নেতা মণীন্দ্র বর্মনের বাড়িতে সেই সময় তার গর্ভবতী কন্যা ছিলেন তাকেও আক্রমণ করা হয় পরবতীতে গুরুতর আহত অবস্থায় প্রথমে কোচবিহার মহারাজা জিতেন্দ্র নারায়ন মেডিকেল কলেজ হাসপাতালে মাব্রিমাতা এবং পরবর্তীতে রাতেই তাকে শিলিগুড়ি র বেসরকারি নার্সিংহোমে ভর্তি করা হয় সেখানে রাতেই তিনি সম্ভান প্রসব

করেন যদিও এখনো তার সন্তানের অবস্থা ভালো নয। গতকাল রাতেই কোচবিহারের হাসপাতালে তাকে দেখতে যায় বিজেপি বিধায়িকা মালতি রাভা রায় এবং অন্যান্য বিজেপি কমী সমর্থকরা। গতকালই তারা জানিয়েছিলেন শুক্রবার শাল্মারায় আক্রান্ত বিজেপি কর্মীদের বাড়িতে যাবেন বিজেপির এক বিশেষ প্রতিনিধি দল যেখানে উপস্থিত থাকবে বিধায়ক নেতৃত্বরা। সুপ্রভাত সকালে সালমারা এলাকার বিজেপির পঞ্চায়েত সদস্য যুথিকা বর্মন মলিনা বর্মনের বাড়িতে যান পরবতীতে তারা জিতেন্দ্রনাথ বর্মনের বাড়ি যাওযার পথে স্থানীয় মহিলাবা তাদেরকে যিরে

ব্যাপক বিক্ষোভ দেখায়। এমন কি? জিতেন্দ্র বর্মনের বাড়ির ভিতরে বিজেপির মহিলাদের সাথে গ্রামের অন্যান্য মহিলাদের বচসহ হাতাহাতি হয়। এমতাবস্থায় বাইরে থাকা বিজেপি কমী সমর্থকদের গাড়ি ভাঙচুরের অভিযোগ ওঠে তৃণমূল আশ্রিত দৃষ্ণতীদের দিকে। পুলিশের সামনেই এখনো ঘটনায় রীতিমতো প্রশ্ন উঠছে। পাশাপাশি ফালাকাটার বিধায়ক দীপক বর্মনের গাড়িতে ভাঙচুর চালানো হয় বলে অভিযোগ এবং মালতি রাভা রায়ের গাড়ি লক্ষ্য করে পাথর চোরা হয় বলে অভিযোগ। যখন বিজেপির বিশেষ প্রতিনিধি দল । যদিও সেই বাধা

অতিক্রম করে তারা বর্মনের বাড়িতে যান তার পরিবারের সাথে কথা বলেন এবং পরবতীতে ফিরে আসেন কোচবিহারে। কোচবিহার জেলা সদর কার্যালয়ে সাংবাদিক বৈঠক করে মালতি রাভা রায় অভিযোগ করে বলেন -আমরা বিজেপি মহিলা নেত্রীদের বাড়ি ভাঙচুর এর জায়গায় গিয়েছিলাম তাদের সাথে কথা বলতে গিয়ে দেখি ভয়ংকর অবস্থা তাদের লকার ভেঙ্গে সব কিছু নিয়ে যাওয়া হয়েছে এমনকি রাহা করা খাবার ফেলে দিয়ে গ্যাস ভেঙে এটা কি কোন রাজনৈতিক দলের সংস্কৃতি হতে পারে। তারা আরো বলেন আমরা যখন জিতেন্দ্র বর্মন অর্থাৎ যার অন্তসরা মেয়েকে মেরেছে এই সন্ত্রাসী কারীরা তার বাড়িতে যাওয়ার সময় উত্তরবঙ্গ উল্লয়ন মন্ত্রী উদয়ন গুহর নেতৃত্ত্বে বহিরাগত মহিলা

রোহিঙ্গাদের দিয়ে আমাদের বাধা তাদের ডেকে নিয়ে যাওয়া হচ্ছে থানায় কখনো বা তাদের বাডির দেওয়া হয় গাড়ি ভাঙচুর করা হয় এমনকি আমাদের ভয় পর্যন্ত দেখানো জল ও লাইট কেটে দেওয়া *হচে*ছ। যদিও আমরা সমন্ত বাধা ফলে তারা রীতিমতো ক্লব্ধ আর সেই অতিক্রম করে তাদের বাড়ি যায় কারণেই সাধারণ মানুষের ক্ষোভের কিন্তু সেই বাড়ির অর্থাৎ পূরবী বহিঃপ্রকাশ ঘটেছে। ওখানে যে সমস্ত মহিলারা বাধা দিয়েছে তাদের বর্মনের জেটিমারা বলেন আপনারা হাতে তুণমূলের পতাকা ছিল না এসেছেন আমাদের খুব ভালো এবং আগামী দিনে যেখানেই যাবেন লাগলো কিন্তু আপনারা চলে গেলে এরা আমাদের বাড়ি স্বালিয়ে দেবে। সেখানেই তাদের এই ক্ষোভের এটাই কি? তৃণমূলের সংস্কৃতি। সামনাসামনি হতে হবে। প্রশ্ন পাশাপাশি পুলিশের সামনেই সমস্ত একটাই যেকোনো জায়গায় যখন ঘটনা ঘটেছে তিনি বলেন অবিলম্বে বিরোধীরা যায় তখন কেন বারবার সুস্ভাবে বচিতে গেলে এই তাদের বাধার মুখে পড়তে হয় সরকারের পতন প্রোজন। কেনই বা সন্ত্রাস পিছু ছাড়ছে না কোচবিহারে ? ভাহলে কি অপরদিকে এই প্রসঙ্গে উত্তরবঙ্গ রাজনীতির আজিনায় গণতন্তু শকটা উল্লয়ন মন্ত্ৰী উদয়ন গুছ বলেন -এখন ধূলিসাং। পরিস্থিতি প্রতিদিন এই জায়গা সীমান্তবতী এলাকা আমাদের যদি বাধা দেওয়ার হতে প্রতিনিয়ত যেভাবে চরম সম্ভ্রাসের আকার নিচেছ তাতে আগামী আগেই দিতে পারতাম তবে বিজেপি শাসিত রাজ্যগুলিতে এই নির্বাচন বক্তাক্ত হবে এমনটাই মত সীঘান্তবতী এলাকার আশ্বীয়-স্থজনরা যেভাবে প্রতিদিন প্রতিনিয়ত সমস্যায় পড়ছেন কখনো
